MEMORANDUM

DATE: May 27, 2003

TO: HIRSP Plan 2 policyholders who do not receive premium reductions

FROM: Margaret Kristan, Director
Health Insurance Risk Sharing Plan *Margaret Kristan*

SUBJECT: New premium rates effective July 1, 2003, for Plan 2

The Wisconsin Health Insurance Risk Sharing Plan (HIRSP) Board of Governors recently approved new premium rate schedules, effective on July 1, 2003.

Premium rates will increase an average of 15.6% for Plan 2 policyholders who do not receive premium reductions. Actual premium increases for these policyholders will range from 9.9% to 17.9%, depending on your age, gender, and zone of residence. This increase is based on:

- Requirements of state law regarding how HIRSP premiums are established, factoring in the increasing costs for HIRSP's medical services and prescription drugs.
- Setting premiums to more accurately reflect claim costs for Plan 2 policyholders.

New monthly premium rate schedules are printed on the back of this memorandum. To determine your new base premium rate, complete the following steps:

1. Find your gender, age bracket, and zone of residence as indicated by the ZIP code ranges defined in the key below the tables.
2. The amount printed in the box where the age row and zone column meet is your monthly premium.

The billing notice mailed to you during the first week of June will reflect your individual premiums based on these increases.

If you have any questions, please contact HIRSP Customer Service at 1-800-828-4777 or 1-608-221-4551.
